With an enviably wide street frontage in the heart of Galston, a rare opportunity presents for new owners. Nearly four all arable, level acres boast an original farmstead with two acres of market growing flowers and produce under 11 igloos, which include lighting and irrigation. The single level home is set back from the road for peace and quiet, surrounded by a leafy and grassy outlook. It provides both renovation potential and flexibility in living across multiple zones.

The generous master suite enjoys a walk-in wardrobe and the privacy of an ensuite. Entertaining is made easy with a large covered outdoor area flowing from the formal lounge and dining zones. Convenience is covered with Galston Village a short stroll away and an easy drive to Hornsby Westfield or Castle Hill.
