21 Fernbrook Place CASTLE HILL NSW

4 2 2

Privately positioned opposite Hastings Park on a corner block, this energy efficient home offers space and versatility for growing families. Smart energy upgrades include solar panels, a whole-of-home ventilation system, external shading and ceiling fans throughout. Bedrooms occupy the upper level and both bathrooms have been beautifully updated. The master suite features a double walk-in wardrobe and ensuite with a luxuriously-sized spa.

The light-filled kitchen sits at the centre of the living zone and offers lovely backyard views. Formal lounge and dining rooms are generously proportioned and there is a large study that could function as a playroom or games room. A sun-soaked family space opens to the covered entertaining area which spills out to level lawn and easy care native gardens. This home's handy location is within walking distance to Oakhill shops and express city buses which
