3 **2** **2**

Presenting updated interiors in a sun soaked setting, this low maintenance residence embraces a level 695sqm block. Timeless timber floorboards feature throughout and the bright living zone incorporates lounge and dining spaces. Crisp white shows off the skylit kitchen which has a walk-in pantry and a lovely backyard outlook. It connects to both a raised deck and a light-filled sunroom, providing extra living space with outdoor flow.

A bay window creates an intimate ambience for the master bedroom and would make a relaxing spot for peaceful reading. Beautifully patterned tiles echo the blue/grey theme of the home and there is a soaking tub, separate shower and a twin basin vanity. With nothing else needed for modern living, this up-to-date residence is a walk to Crestwood Public School, local shops, childcare and parks.
