

The Best of Both Worlds

A rare find in the Dural area; this exceptionally spacious two level townhome combines a fabulously convenient location with tranquil natural outlook.

Positioned within a boutique complex of just 9 directly opposite Dural village shops, the property backs acreage and offers delightful rear views to neighbouring paddocks and mature eucalypts..

At the heart of the home lies a generous combined lounge/ dining enjoying a sunny north-east aspect and flowing to the fully equipped kitchen and ample side courtyard with plenty of space for an outdoor setting.
