

Sophisticated and Built Without Compromise

Masterbuilt and finished with exquisite attention to detail, this picturesque country estate provides an idyllic family haven. Positioned on five fully arable acres (approx. 2ha) with uninterrupted Blue Mountain views, an intuitive floorplan showcases a wealth of spacious living and entertainment areas including large games room, study, gourmet kitchen and a multi-use upstairs family zone with balcony access.

Designed with an emphasis on space and privacy for all, the home features ensuite to two bedrooms, with a generous fifth bedroom with bathroom above the freestanding double garage.
