4 Carlisle Crescent KELLYVILLE NSW

5 **3** **2**

Boasting a wide 24.5m street frontage, large 679sqm garden block and a premium position backing a reserve, this Fred Lowery designed residence promises an impressive family lifestyle close to a wealth of quality schools, parklands and sporting facilities. Very well presented throughout, an intuitive floorplan presents a choice of ample and light-filled living areas, with a seamless flow from the open plan kitchen and casual meals zone through to expansive alfresco dining. A dedicated study with customised cabinetry makes an ideal home office, while the oversized master bedroom incorporating ensuite and walk-in robes creates an enviable parents' retreat. With a sun-drenched northerly orientation and the reserve ensuring an accentuated sense of space, the rear garden offers endless scope for entertaining complete with sparkling solar-heated pool and child-friendly level lawn.
