

Great Corner Position

Covering just under 3 acres of arable land, this fully fenced mostly level block holds excellent potential to build your family home (STCA) and enjoy the rural life style. With significant road frontage and the opportunity that can only come with two road frontages, this type of land offering is extremely rare in the community. The property already has a DA approval for a 24 x 20 metre shed and the building platform cut & ready.

Positioned immediately opposite the stunning Fagan's Park, the property is conveniently positioned for Galston Village Shops as well as local schools, such as Northholm Grammar, Galston High & Galston Primary School.

\$1,500,000
