

Modern lifestyle in a quiet, central pocket

Exuding flawless quality, this near new residence enjoys a quiet setting in an established, well connected enclave. It is just four years old, energy efficient and immaculately presented for families to enjoy. The central living area includes a Caesarstone kitchen that hosts a four metre long island bench. A mirrored splashback enhances the light and spacious living zone behind, and is a handy way to keep an eye on children while cooking. Glass sliders open to provide seamless flow to a covered deck with an alfresco kitchen and a leafy, serene backdrop.

The master bedroom is a true parents' retreat with an ensuite, walk-in wardrobe and direct access to a courtyard, inviting the outside in. Children's bedrooms open to a multi-purpose room and there is a dedicated study and media room for extra flexibility. Boasting wonderful connectivity, this home is central to shops, city buses, the future Kellyville station and a walk to schools.
