Secluded in a gated estate, this near new Metricon home is flawlessly designed for modern living. A clean-lined aesthetic and exemplary finishes are showcased in every room. Bedrooms are tucked upstairs and linked by a rumpus that promises versatility as children grow. The master suite has a private balcony, a walk-through wardrobe and a luxurious ensuite.

The generous study and media rooms are distinct from the open living zone which is angled for seamless alfresco flow. An island bench commands the Caesarstone and gas kitchen, with a butler's pantry to conceal visual clutter. Large windows in the dining room show off the pool with water wall and decking. Bi-fold doors completely open up to the patio on two sides, creating an alluring indoor-outdoor lifestyle of easy entertaining. This home's cul-de-sac setting and bush outlook deliver tranquil surrounds with a privileged address.
