

Easycare acreage in Galston

Nestled on six acres of undulating green, this nicely presented home offers low maintenance acreage living. A new kitchen has just been completed and includes a walk-in pantry, two ovens, bar seating and capacious storage. It merges out to a covered entertaining area from which to enjoy the picture perfect bushland setting. Open living spaces are bathed in light and there is a separate rumpus that offers privacy and alfresco flow.

The master bedroom enjoys privacy at the end of the house away from the living spaces and other bedrooms. It includes an ensuite and walk-in wardrobe and has direct access to the deck. An air conditioned detached studio accommodates three offices, offering scope for business use or extensive storage. Excellent proximity to Galston Village, cafes, schools and buses ensures this gorgeous property is close to everything while retaining a tranquil ambience.
