Custom designed and built for space and comfort, this is a superb home to cater for families at all stages. Moving beyond the study, media room and gym, the layout opens up to a bright communal zone to bring everyone together. A long island bench offers relaxed seating in the crisp white kitchen. Topped with granite, the kitchen features a deep walk-in pantry, gas cooktop and is placed to view the living spaces. Glass sliders in the dining room reveal a generous alfresco that is ideal for hosting poolside parties.
