

Just completed modern family home

Set in a quiet pocket close to North Kellyville Square, this gorgeous residence is just six months old. The main living zone is open and bright with an upstairs rumpus providing flexibility as a play area or TV room. Extra large windows harness the light in the huge master bedroom which has an ensuite and walk-in wardrobe. The main bathroom has been well considered for families with a twin vanity, concealed toilet and generous floor space.

Downstairs a formal lounge looks to the manicured streetscape. There is a walk-in pantry for the state-of-the-art kitchen, with a cantilevered stone island bench at the centre and Smeg appliances. It flows directly to a good-sized alfresco that meets level lawn with minimal maintenance gardens. Wonderfully located a stroll to bushwalks and Caddie's Creek, this immaculate home promises carefree family living.
