Claiming five acres with idyllic bush views, this well kept family retreat promises peace and space. Entry through an ivy-covered courtyard with water feature sets the scene for a relaxed lifestyle. Raw bricks bring a natural, textured element in the sunken living room around the fireplace and in the granite-topped kitchen. It has timber cabinets and breakfast bar seating, leading to the family room. Access to a covered alfresco from two sides makes for easy flow and there is a built-in barbecue for laidback get togethers.

Built-in wardrobes come with three bedrooms while the master includes a walk-in wardrobe and ensuite. The three-way main bathroom is supplemented by a third bathroom linking to the laundry. This country style homestead lends itself to a contemporary update that maximises its coveted address and beautiful surrounds complete with dam, inground pool and spa.
