Poised on a privileged parcel, refined styling and sumptuous touches offer an effortless family lifestyle. High ceilings and a north-facing layout harness the natural light. In the glossy kitchen, a dark stone slab island bench pops against white cabinetry and a window splashback while a butler's pantry conceals meal prep when entertaining. Picture windows in the living room frame alluring pool views and glass doors slide back to flawlessly merge with a gorgeous travertine alfresco.

The media room offers a gold class cinema experience and the study is versatile as a guest room with ensuite. An upstairs family room links four bedrooms and the master is a drawcard with its walk-in wardrobe and ensuite with heated floors and a bath. Side access caters for extra vehicle storage and it is an easy walk to North Kellyville Square's shops and restaurants.
