A short walk to the primary school and shops, this home delivers all the family appeal Pitt Town is famous for. Defined living spaces give you the liberty to spread out over the large study, media room and open zone at the rear. Timber floors bring a sophisticated flavour to the main social space which merges out to an alfresco and private green backyard. Clever wine storage looks over stone benches in the chic kitchen, with oversized appliances and excellent storage capacity.

An upstairs games room gives children space to themselves. There is a choice of three double bedrooms and the master bedroom has a dual-basin ensuite and a walk-in wardrobe. Beautiful styling and generous proportions bring comfort and ease, with childcare, buses and a choice of recreational activities on your doorstep.
