A great opportunity to buy a home on 5 acres of arable land in a blue ribbon location. Nestled amongst magnificent multi-million dollar homes and beautifully manicured gardens and countryside, it is hard to believe this property is only 40 minutes' drive from Sydney CBD and 20 minutes' drive from bustling Castle Towers and its brand new metro rail. A blissful, private escape, the sunlit four-bedroom home which offers a massive living/rumpus area with floor to ceiling windows and open fireplace, has all the ingredients for a dream lifestyle. A bright kitchen with stainless steel appliances features a wall of storage for dedicated cooks. Rustic rural style shows off the separate stone cottage and mezzanine, which has potential as a teenager's retreat or home office.
