Exuding unparalleled class and sophistication right from its commanding street presence, this spacious, custom-designed residence is truly impressive. Well appointed and luxuriously finished throughout, the home offers multiple living and entertaining zones. A rumpus or theatre room to the left of the entrance is a relaxed zone to enjoy movie nights while an enormous, open living zone at the rear of the ground floor makes entertaining a breeze. The kitchen is framed by quality benchtops and crisp cabinetry, and includes an oversized pantry to conceal mess as well as a servery window through to the alfresco. Glass sliders offer seamless transition to the covered alfresco & looks to the pool and grassy backyard.
