Exuding elegance and class right from the moment you enter, this gorgeous home has been renovated throughout to high standards. Boasting a sun-soaked, open floorplan with plenty of opportunity for entertaining family and friends, the layout includes an open lounge and dining zone with views over the local district. Undoubtedly the envy of guests, the state-of-the-art kitchen is framed by 40mm Caesarstone benchtops with waterfall edging, quality cooking appliances including a Bosch induction cooktop, floor-to-ceiling wine storage and a huge pantry to conceal mess. The large, manicured backyard is child and pet friendly, with space left to extend the existing alfresco area or add a pool (STCA).
