

Kenthurst

4  3  2 

This large single level home with 4 bedrooms, great living areas, split system air conditioning and covered entertaining areas has new carpet and has been freshly painted throughout, all of this and more on approximately 2 acres of pristine bushland and grassed paddocks. This property has 2 long road frontages but is nicely screened for complete privacy.

The property features open plan living with a slow combustion fire place in the lounge room, large laundry and main bathroom with separate toilet, ensuite to main, double carport, alarm system, window locks, two fenced paddocks, a chook pen and separate teenage retreat with ensuite.

Land Size : 80937 sqm
