### 105 Kenthurst Road Kenthurst NSW

4  3  3 

Occupying an ultra-convenient position amongst other established acreage properties, this five-acre parcel boasts a history ready to be transformed into a private sanctuary. Set back from the road, an original four-bedroom home with a multi-zoned layout caters to family living, with potential for renovation into a contemporary retreat. A separate games building/office adds flexibility for entertaining or extended living, while a former flower shop at the front provides the perfect foundation for a home office, studio, or small business (STCA).

Although powerline affected, the property is only 850m walk to Kenthurst Shopping Village, a stroll to buses, handy to several elite schools, 7 minutes to Round Corner Shopping Centre, and 15 minutes to Castle Towers and Castle Hill Metro station.
